COMPANY OVERVIEW AND EXPERIENCE

CARPENTRY ROOTED IN TRADITION

At Heritage Woodworks, we believe that every project is an opportunity to showcase our skills and creativity. We take pride in our commitment to quality craftsmanship and the legacy upon our business was built upon.

But for us, the legacy of carpentry is about more than just creating beautiful pieces. It's about preserving a craft that has been passed down from generation to generation and honoring the hard work and dedication of the craftsmen that came before us. We see our work as a continuation of a tradition, one that we hope to pass down to future generations of carpenters.

Our dedication to our clients is paramount. We strive to build lasting relationships with them by listening to their needs and desires and ensuring that every project we undertake meets their expectations. We believe that communication is key, and we work closely with our clients throughout the entire process to ensure that they are completely satisfied with the finished product.

At Heritage Woodworks, our mission is simple: to create custom carpentry that honors the legacy of the craft and meets the unique needs and visions of our clients. With a commitment to quality, craftsmanship, and customer relationships, we are proud to carry on the traditions of our families and the craftsmen that came before us.

OUR MISSION

At Heritage Woodworks, our mission is simple: to create custom carpentry that honors the legacy of the craft and meets the unique needs and visions of our clients. With a commitment to quality, craftsmanship, and customer relationships, we are proud to carry on the traditions of our families and the craftsmen that came before us.

UNCOMPROMISING QUALITY

With a commitment to craftsmanship and an unwavering attention to detail, our carpentry services deliver exceptional results that elevate any space. With a deep understanding of design aesthetics and a passion for creating beautifully finished interiors, we take pride in transforming ordinary spaces into extraordinary works of art.

MASTER CRAFTSMEN

Our team of veteran lead carpenters and detail oriented craftsman work collaboratively to complete each project on time and within budget. Each and every one of our employees are encouraged to complete continuing education courses to help master their skills so they can better serve you during your project.

TIMELY & RELIABLE

Clients can count on our company to deliver on time and within budget. With our efficient project management and experienced team, we maintain a strong track record of timely completion without compromising on quality.

OUR JOBSITES

We demand the utmost cleanliness and organization from each of our team members. From the beginning of your project through completion, we take time at the end of each work day to clean our surroundings on the jobsite to ensure both a clean and safe jobsite for all other parties visiting the project.

A CLIENT FOCUSED APPROACH

Above all, we place our clients at the heart of everything we do. We pride ourselves on great communication with our clients. Our dedication to exceptional customer service and open communication ensures that each client's needs and aspirations are met throughout the entire carpentry process.

INDUSTRY RECOGNITION

Heritage was established through the collaborative efforts of two esteemed professionals in the industry and has quickly become one of the premier carpentry companies in the Greater Boston area. With a shared passion for craftsmanship and a wealth of combined expertise, Business Partners Tom O'Brien and Matt Cabral have earned reputations as leading figures in the field.

Tom's nomination in Professional Builder's 2023 Forty Under 40 list further solidifies his position among the brightest young talents and next-generation leaders in home building across the nation. Additionally, Tom was honored with the prestigious 2019 GOLD PRISM Award: Rising Star of the Year and the 2022 GOLD PRISM Award: Project Manager of the Year, recognizing his outstanding achievements and exceptional performance within the Construction and Home Building Industry.

Matt's carpentry work has garnered multiple awards and accolades, recognizing his exceptional skills and craftsmanship. With an eye for detail and a dedication to perfection, his award-winning projects stand as a testament to his talent and expertise in the field.

Tom's proficiency in project management, coupled with, Matt's extensive background in finish carpentry, forms a powerhouse team that delivers unparalleled results from their team of highly skilled craftsmen. Together, their powerhouse partnership marks a new era in the industry, promising innovative designs and bespoke carpentry solutions that elevate spaces and exceed clients' expectations.

CUSTOM BUILT-IN DESIGN PROCESS *hr*

Heritage

I. INTIAL CONSULTATION

Our proven process commences with an in-depth consultation where we acquaint ourselves with your vision, style preferences, and functional needs for your built-ins. We meticulously measure the space intended for the built-ins, conducting a thorough assessment of the area to ensure precise design planning.

II. DESIGN RENDERINGS

Using the insights gathered from our initial meeting, we conceptualize design ideas tailored to your requirements and available space. We craft visual renderings that vividly illustrate our proposed designs so that you can envision them in your space, presenting them to you for discussion and feedback.

III. REVISIONS & PROPOSAL

Your input is invaluable. We collect your feedback on the initial design renderings, incorporating any modifications or enhancements you desire. We refine the design based on your insights, ensuring that the final renderings align seamlessly with your vision.

IV. FINAL BUILD

With the design and proposal finalized, we move forward to select the materials that best suit your preferences, including wood type, finishes, and hardware. Our team of highly skilled carpenters begin construction, meticulously crafting the custom built-ins with a keen eye for detail.

The project concludes only when we've obtained your final approval, ensuring your complete satisfaction with our finish carpentry.

Offering a glimpse into our design process, here's a sneak peek at a meticulously crafted rendering for a valued client's mudroom project, showcasing not just our creativity but also the astonishing realism that helps clients seamlessly envision their future custom-built space.

LEADERSHIP

Selecting the right team for your project is absolutely essential to the success of your project. Each and every one of our projects are handled with utmost professionalism and attention to detail ensuring that your project is seamlessly carried out through its completion. Our team of master craftsmen and project leaders work with you to ensure that both communication and satisfaction is established through out the entirety of your project.

“They are consummate professionals-trustworthy, skilled, and individuals of the **highest integrity.**” ~ Former Client

We pride ourselves in attention to detail, making every minute spent dedicated to the completion of your project on time and as near to excellence as possible. With our team of master craftsmen, we believe that there is no project too unimaginable to build. That is why we take great pride in opportunity to work together. From the initiation of our partnership, we stand by being well organized and strategically plan for each step in our proven process. This knowledge applies to everything from existing conditions as well as our design walkthrough processes to final walkthrough and project closeouts.

Having a team consisting of both veteran and driven young professionals, each and every one of our team members is constantly looking to improve upon our proven process. We aim endlessly to be responsive to your wants and goals as a client of ours, but more importantly our new industry partner.

TOM O'BRIEN

Managing Partner

Tom is a seasoned tradesman and accomplished serial entrepreneur, with a lifelong dedication to the construction industry. Having grown up in Pennsylvania under the guidance of a prominent real estate development family, he gained invaluable industry knowledge. Relocating to New England expanded his experience, working with renowned companies in the industry and even starring on NECN & NBC Network's Home Improvement TV series, 'Heart of Oak'. His extensive experience spans the Massachusetts coastline, collaborating with renowned Builders on the North and South Shores of Greater Boston.

Beyond his hands-on work, Tom's influence reaches far and wide. As the former Director of Business Development for the Builders and Remodelers Association of Greater Boston, he showcased his aptitude beyond the field. Currently serving on the Board of Directors and appointed Chair of the Young Professional Council for the regional branch of the National Association of Home Builders (NAHB), Tom continues to shape the industry's future.

Tom's exceptional achievements have earned him prestigious accolades, including the 2019 GOLD PRISM Award: Rising Star of the Year and the 2022 GOLD PRISM Award: Project Manager of the Year, recognizing his outstanding contributions to the Construction and Home Building Industry.

Tom's deep-rooted passion for the trades and construction industry has been a cherished inheritance passed down through generations in his family. From the very moment he first picked up a tool, an undeniable realization struck him - this was not just a profession, but a calling that drives him to construct a better future. His journey in the trades has become more than a career; it is a purposeful pursuit of building a legacy that will leave a lasting impact.
